### FOIA REQUEST

Dear FOIA Officer:

Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552, I request access to and copies of Any and all records that discuss, mention, and/or refer to in any way the effects the Food Quality Protection Act has had on pesticide use. In this request, records include but are not limited to emails and their attachments, memos, meeting notes, slides, text messages, spreadsheets, and voicemails.

I would like to receive the information in original electronic format.

I agree to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$5. However, please notify me prior to your incurring any expenses in excess of that amount.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

I would appreciate your communicating with me by email or telephone, rather than by mail.

I look forward to your determination regarding my request within 20 business days, as the statute requires.

Thank you for your assistance.

Sincerely,

Laura Guerriero

Judith,

This request sounds like it should be handled at the national level. I think she sent it to me because she resides in Region 1. It came into our R1FOIA mailbox
